 Certification, and/or Enrollment in Challenge

When completed submit both forms electronically to: revans@communitygreenhouse.org
Subject Line should read: Attention: SGB Certification Coordinator

After Review you will be sent electronically a full **Enrollment and Certification Application** including the calculated Fee to become Certified.

All Fees can be paid either electronically or check and are considered tax deductible. If an organization chooses, you may designate whether this application is for Certification or for both Certification and Enrollment in the "Green Business Challenge" on this form. If a Company chooses to enroll in the "Green Business Challenge" and then does not to agree and commit to at least 1/2 of the goals of the Customized Eco-Green Program that was developed any fees they have paid to enroll will be refunded minus a 10% administrative cost to cover the development of their program. The development of a customized EcoGreen plan or certification process will not start until enrollment fees are paid.
